

TIME TO SAY GOODBYE TO PORT COLBORNE

Union Jack
FISH & CHIPS

A letter to our customers,

Jessica and I still remember our first opening day on March 10th 2008. We didn't know which fish is which at the time. We learned. There was not enough money, there were language issues and we had no experience. We were real babies in this business. There was always something that went wrong but we pressed on. You, our customers, were always there to encourage us and you were always so kind to us. I remember when I immigrated to Canada, I prayed to God that I will not be homesick. Believe it or not, God answered my prayers and I never felt homesick for even a day because the people of Port Colborne treated us like family.

Eventually, we expanded to 6 locations, but frankly speaking, it has been very difficult managing all of them. There are a lot of challenges. The added responsibility, the pandemic starting and the time required to manage 6 restaurants led us to the decision to close and sell our location in Port Colborne. You loved us and our fish and chips and we had such a difficult time knowing what to do. We were led closer, nonetheless, throughout this difficult time, to God who provided everyday what we needed. Without Him, we would not have come this far. So, we thank God with all of our hearts. We want to also thank you, our customers, and staff throughout the years for your patronage and kindness.

We are very sorry to say goodbye to our Port Colborne customers. We will keep in contact and serve you with great fish and chips at our other 5 locations. We will also remember everything you did for us. Forever and forever.

Please be safe and healthy,
God bless you all!
